

CONQUERORS: *L and T team has reasons to cheer.*

L & T bags Ad Club bowling trophy

The L and T bowling team had reasons to cheer after bagging the winner's trophy in the tournament organised by the Advertising Club, Madras recently.

Bowling used to be part of the sports calendar of the Club for a long time before it went out of the list for reasons not known.

But the good news was that it was revived this year. Held in Egmore at the 'Down under parlour', L and T defeated Henkel in the final to take the honours.

In all eight teams with four

members each had taken part in this tournament where enthusiasm overflowed.

Not all who took part were quite up to the demands of this sport but it was participation that counted for most part, said an official of the Club.

Seeing the success of the revived event, the Club has plans to make it an annual affair as before.

At the prize distribution function later, the L and T team was presented with a trophy by the Ad Club president R. Seshadri.
